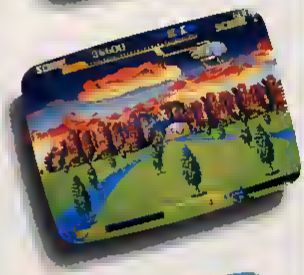
Thunder Blade™

JET HELICOPTER SIMULATOR VIDEOGAME!

SEGA®

PRINTED MATTER © SEGA 1988

Thunder Blade



*Experience the exciting "feel" of piloting a jet helicopter by skillfully operating the Control Stick, Speed Throttle & Missile Launcher button as the craft lifts off, delicately sways to-and-fro and flies through the sky every cockpit command fully reproduced with simultaneous on-screen movement, a high action surface and air battle adventure with "slalom" obstacles combining perpendicular ground scenes along with highly detailed graphics of mid-air flight, all realistically presented in a stunning 3-D perspective - complete with **motion**.*

DELUXE TYPE
